

# 7 WAYS LEADERS CAN SUPPORT THE AGILE JOURNEY

ADAPT  
OVATE

## 1 EMPOWER THE TEAM

If the leaders buy into the journey and empower their team to make decisions Agile will be successful

## 2 CLEAR VISION

Set a clear vision of what the organization is trying to achieve

## 3 BEING TRANSPARENT & OPEN

Leaders can support the agile journey by being open, transparent and showing vulnerability at times.

## 4 WILLING TO CHANGE DIRECTION

By being open to review of sacred institutional processes

## 5 DISCIPLINED PLANNING

Having a disciplined planning and prioritization approach

## 6 SHOWING INTEREST

The best thing a leader can do is show their thirst for transitioning into Agile

## 7 ORGANIZATIONAL HYGIENE

Stable funding, appropriate workplace/homeoffice tools to do and get the job done
